Hi Mr. Ball  
 I am writing you  
 about something you about  
 a problem I am having  
 that I believe I have  
 that I believe I have  
 writing to you about  
 a few days time papers  
 and that problem is  
 about my family and  
 my relatives. I am  
 mostly mostly and only  
 writing you about my  
 own family and close  
 friends. But anyway I have  
 been mess with about  
 my mother in every  
 situation I have been in  
 just about and

~~Tommy Ball~~ 88c

been in and I am still  
 having having this  
 problem now with two  
 or three of the of  
 the correctional officers  
 they do this so I will  
 run up to them and  
 start a fight with them  
 and this is wrong as  
 hell the reason I say it  
 is wrong is hell so  
 because I am only one  
 inmate in this institution  
 and there are hundreds of  
 and hundreds of officers  
 and hundreds of corrections  
 of other officers that  
~~the~~ work in this  
 institution and even if I  
 was the type of person that  
 like to fight alot I  
 would have to be a damn

2

goal to run up to  
 this institutional officer and  
 start a fight with him by  
 my self and he knows this  
 I am extremely powerful  
 like one and I am the  
 one I don't want to meet  
 to meet up and say  
 nothing to this man good  
 later one morning when  
 I was going back to my  
 cell from coming from  
 somewhere a white  
 correctional officer half  
 but when I was coming  
 from somewhere this  
 white correctional officer  
 get out as soon as I get  
 all most to him he get  
~~out~~ but this officer  
 name and read Delany is  
 a rat right by me as I  
 was walking pass him I  
 don't say one word because

To me this offer might  
 be right because it  
 would lock up the  
 word rat in most  
 Dictionary it would be seen  
 if it can be understood that  
 is what a rat can do  
 be a nasty ~~but~~ filthy  
 no good for nothing person  
 especially toward women  
 and now it seem to me  
 it seem this guy that  
 stay in the city of New  
 York I he told me of  
 being mess with this guy  
 by the name of Stephen  
 Hendrick and his family is  
 giving around all over help  
 telling everyone I am a  
 rat and now this tape is  
 giving all through a help  
 that I am a rat I don't  
 know for sure but it seem  
 to me that a woman

3 This family has the  
 name of Hendricks. I have  
 it all out that I am a  
 rat it seem now that  
~~the~~ one of Shepton  
 Hendricks sister had her  
 name change it had to be  
 legally to Diane Williams  
 to not me up pretending  
 to be a woman I use to  
 know to the name  
 a Diane Williams. Trying  
 to say stuff like she  
 dont know me and  
 she dont like me and  
 never did and now I  
 work you and ask  
 now if you will please  
 have the federal bureau  
 of investigation to look  
 into this and have it  
 investigated I heard a  
 male employee that I use  
 to see at the say he  
 went to the city of

Montezuma Garcia and  
 he ask people did they  
 know me and some of  
 them told him yes and  
 I think he ask them  
 did they know who my  
 father was and I think  
 they said they did I  
 said then but even  
 one in the city of Montezuma  
 said yes I  
 believe some Montezuma  
 is a little small place  
 a city where every  
 one know every one  
 just about and now  
 I hear the superintendent  
 now went to the  
 city of Montezuma  
 Arizona to ask around  
 about me because if he  
 did he would get find  
 out right damn fast  
 from now on the south

south to between black  
 people or I don't know the  
 superintendent name is or  
 even or even he is the  
 same superintendent where I  
 am now name I was moved  
 to a different lock and  
 put in a different ~~lock~~  
 location from where I  
 was because now if it  
 isn't the same I am now  
 working in a place that  
 is call the isolation that  
 is call the isolation unit  
 I would like to let you  
 know this in case the  
 Federal Bureau of Investigation  
 will know where to find  
 me in case they will  
 know where to find me  
 if they would like to talk  
 talk to me and I would  
 really ~~would~~ would like to  
 talk to talk to them

about something being  
enforcement month and  
months really month left  
to know that the other  
new york police and  
the system should know that  
judicial system should know  
what is about to happen to  
that city whole system of  
government the problem also  
involves me since I was sent  
into the prison system  
and being label with a  
 nasty filthy label of mental  
illness everyone should  
know that homosexuality  
isn't at all not a mental  
illness but just a gene  
depression something that  
all people have men and  
women have that they was  
born with if it is shown  
in them or not some people  
show it and some people

5  
 Don't get all shamed to  
 and now some of the inmates  
 want me to stop telling  
 everyone I am a silent partner  
 emergency meet leaders from  
 out of the south of this  
 country but to be a  
 silent partner and I am not  
 doing that I wanted look like  
 a damn fool and a lie  
 to do something like it also  
 seems to me like I all  
 ways said the superintendent  
 don't know name I don't  
 know. Don't want to let  
 me out or even let me  
 put a perjury law suit  
 in unless I agree to be  
 marry to his son who is  
 a paler from another state  
 I was once told and he know  
 damn well I will not do this  
 being marry to an son and  
 if the superintendent want

and now ~~has~~ his self he  
 about not mess with me  
 by going around telling  
 everyone he wants me for  
 marry his homosexual friend  
 as son he would have it  
 going around saying he  
 want me to marry one of  
 his friends ~~and~~ he  
 about not me to marry  
 a family member of  
 his family but this  
 supervisor if he is the  
 same superintendent here in  
 the ~~university~~ institution  
 as in many the superinten-  
 dent wants to give me a  
 man to get marry the ~~best~~  
 because he is a racist he  
 want me to marry his son  
 I had two white inmates  
 then ~~white~~ to Pol. you  
 and this should be look into  
 and investigated in the J-B or I  
 should look into. Thank you
